Sir:

We, the undersigned inventors, understand that the above-identified patent application went abandoned for failure to respond to the Restriction Requirement dated March 22, 2002. We request that the abandoned application or lapsed patent be revived. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true. We further declare that these statements are made with the knowledge that willful false statements and the like so

made are punishable by fine or imprisonment, or both (under Section 1001 of Title 18 of the United States Code), and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
